1. Rates applicable to all General Cargo, Heavy, Oversized Equipment or Machinery.
2. Rates presented are in metric: One revenue tonne will apply per metric tonne (1000 kilograms) of gross weight OR per 2.5 cubic meters which ever produces the highest revenue per piece.
3. All shipments are subject to a minimum charge equal to 0.5 revenue ton at the above applicable rates.
4. The extreme overall dimensions (length, width and height) of each piece shall be utilized to determine the volume.
5. Oversize or overweight shipments requiring special handling may be subject to additional charges.
6. Large volume shipments will be priced on a case by case basis.
7. Dangerous Goods: A surcharge of 20% will be applied to all dangerous goods.
8. Lateral moves depend upon routing and will be priced individually.
9. Marine Insurance: To be purchased separately.
10. Taxes: All prices are exclusive of GST.
11. A fuel surcharge of 24% will be applied to all cargo items for 2022 shipments – due to increases in global fuel costs. This will be re-evaluated annually.
